Printing your Plan

The Academic Planner is a tool within RU-Newark’s Navigate system that allows students to plan courses for future semesters and review those plans with advisors in a shared workspace. See how graduation timelines change by taking courses in the summer or winter terms, or by planning additional academic programs. The Planner needs to be viewed on a laptop or desktop device, it is not yet available on the mobile app. The Planner is designed to help you visualize the path to completing your academic programs, it is not a degree audit tool. Use [Degree Navigator](#) to verify your graduation progress.
