

Summer 2024 R4S/Navigate Learning Labs

Drop-in sessions will be held on Zoom so that you can log in and follow along to learn tips and tricks to make R4S/Navigate work for you. All sessions are open for one hour — please hop onto the [Zoom session](#) at any point during that hour. You do not need to register ahead of time.

Can't wait to see you this Summer!

Drop-in hours will be held weekly on **Tuesday afternoons** and **Wednesday mornings**. Come with any and all questions that you have, and we will help you master different features of the platform!

Suggested topics:

- Learn about the benefits of the Academic Planner for students and their advisors
- Discover what reports are available and how they can help you
- Automatically send information to your advisees using Automated Actions
- Opening and closing Cases and Alerts

No question is too big or too small — come for five minutes or stay for the whole time.
